

KINGSLEY CHIDOLUE

Lekki, Lagos 105102 | +234 816 8280 166 | kingsleychidolue20@yahoo.com

Summary

Frontend Developer (Angular) and QA Engineer with experience building responsive web applications and ensuring product quality through structured testing. Skilled in identifying bugs, improving user experience, and collaborating with cross-functional teams to deliver reliable solutions.

Experience

Front-End Dev

Cydene Energy Services

Jan 2024 – Present

Lagos, Nigeria

- Improved user experience by implementing responsive UI components using Angular.
- Conducted manual and automated testing to validate user flows and interactions.
- Identified and resolved bugs, increasing application stability and performance.
- Collaborated with design and backend teams to deliver scalable web solutions.

Quality Assurance Engineer

TEST.io / DIGIVANTE Services

Nov 2024 – Present

UK | Remote

- Executed test cases across web and mobile platforms to identify functional and UI issues.
- Reported bugs with clear reproduction steps, improving developer turnaround time.
- Performed cross-browser and cross-device testing for consistent user experience.
- Contributed to pre-release quality assurance, reducing production issues

Executive Support Assistant

Cyber space Limited

May 2017 – Feb 2019

Lagos, Nigeria

- Managed and recorded all office-related purchasing, keeping within budgets and deadlines.
 - Handled both incoming and outgoing mail for the business to maintain smooth-running external communications.
 - Organised and maintained digital databases, safeguarding against data loss and supporting information retrieval.
